Dr. Krystal Vaughn

**Meet your incoming President: Dr. Krystal Vaughn, LPC-S
and Registered Play Therapist Supervisor.**

I am Krystal Vaughn, President Elect of LAPT. I am a Licensed Professional Counselor-Supervisor and Registered Play Therapist-Supervisor working as an Assistant Professor at Louisiana State University Health Sciences Center in New Orleans, LA. My focus is on autism, children ages 2-12. I love art materials because they can be used in so many different ways (directive and non-directive). I recently attended Floor Time training and I'm excited to learn

more advanced skills, allowing me to incorporate those into my play therapy work. You can learn more about me or contact me through my website <http://alliedhealth.lsuhs.edu/clinics/playtherapyabout.aspx>

[LAPT is happy to continue featuring our members and their favorite play therapy tips in our news blast. If you would like to nominate someone for a future e-blast, or are interested in being featured yourself, please email laptcommunications@gmail.com.]
